

BMO and Ski Canada honour top NB athletes

The BMO Ski Canada Award goes to various not-for-profit ski organizations, including promising young racers from across Canada. In New Brunswick, the award is given to the top K2 (13-14 year olds) athletes for male and female. As well, no athlete may receive the award more than once.

Last season was the first time in a number of years that the awards were made in the province. And they were also awarded this spring.
